

Class 150LB			MPa
Test Pre- ssure	Shell Test	3.0	
	Seal Test	2.2	
	Air Test	//	
Max. working Temp		≤300	° C
Suitable Media		W.O.G. etc.	

Technical Requirements

- Design & manufacture conform to API 594
- Test & Inspect conform to API 598
- Face to Face dimension conforms to API 594
- Flange dimension conforms to ANSI B16.47
- Pressure-Temperature conforms to ANSI B 16.34
